Focus Areas

STRENGTHEN COMMUNITIES

Communities all over the world don't have access to basic human necessities. But together, we can equip communities to make sustainable changes while sharing the love of Christ.

CARE FOR REFUGEES

Every day, refugees are forced to leave their homes and families. You can be the hands and feet of Jesus by helping them find spiritual, physical and emotional healing through Send Relief's projects.

PROTECT CHILDREN & FAMILIES

Around the world, children are suffering from malnutrition and a lack of educational opportunities. In North America, the need for foster and adoptive families has never been greater. We can connect you with opportunities to be part of the solution.

FIGHT HUMAN TRAFFICKING

Survivors of human trafficking are trying to recover from years of trauma. But there is hope! Through Send Relief, you can help transform lives and have a lasting impact by fighting for their physical and spiritual freedom.

RESPOND TO CRISIS

Across North America and around the world, natural disasters, pandemics and conflicts are changing communities in unimaginable ways. You can respond to these life-altering moments, providing hope and practical care to survivors, through Send Relief's gospel-centered projects.
